

ABOUT

Our focus is to work with local farms and purveyors that are dedicated to minimizing their carbon footprint, while showcasing the best ingredients our region has to offer. Our thoughtfully engineered food and beverage programs have allowed us to utilize all the parts of our ingredients to reduce waste and promote sustainability.

Ember & Ash's warm and inviting aesthetic make it the perfect place for all occasions. Whether it's a quiet night out with friends and family, or a boisterous celebration with dozens of guests, Ember & Ash offers a variety of venue options to meet your needs.

MENUS

Our family-style approach ensures that your event receives the best possible service. We offer a selection of tailored menu options for family-style dinners, private events, cocktail receptions, bridal showers, rehearsal dinners, graduations, weddings and more. Our team works with each group individually to fit the mood and style of your event.

Ember & Ash offers an expansive, natural-focused wine list, local beer list and an inventive signature cocktail program. For groups of 20 or more guests, we strongly suggest predetermining wine selections. Our seasoned beverage manager will be happy to develop beverage packages to complement your event.
